

## **Teacher Appreciation Breakfast August 5, 2016**

### **Sponsor Opportunities**

In order to truly appreciate our teachers, it will take a community effort!

The Leesburg Area Chamber is hosting a Teacher Appreciation Breakfast and School Staff Appreciation Luncheon on August 5, 2016, in an effort to shower our teachers and school staff with appreciation. These events have the potential to reach over 1,200 teachers and staff from the Leesburg Area Schools. Those schools include, Leesburg High School, Oak Park Middle, Carver Middle, Rimes Early Learning, Leesburg Elementary, Beverly Shores Elementary, Treadway Elementary, Fruitland Park Elementary, and The Villages Elementary.

We will be giving each teacher a swag bag filled with all sorts of items donated from the community. We also want to do something special for the Teacher of the Year and the Rookie Teacher of the Year from each school. In addition, we will be collecting door prizes and will have some drawings for prizes. This is our time to show our teachers how much their community cares about them and truly appreciates what they do.

Paper is an essential and hot commodity for our teachers and because of this, in addition to the Breakfast and Lunch we will be organizing a paper drive throughout the community with the hopes of collecting at least one Ream of paper per teacher in all of our Leesburg Area Schools. We will be looking for drop off locations all over the Leesburg Area. If you are interested in being one of those locations, please let us know.
